The 2022 Common Alerting Protocol (CAP) Implementation Workshop will be 19 - 20 September, 09:00 to 17:00 CEST. The Workshop is hosted by Everbridge and Alert-Hub.Org CIC. The venue is the KIT Royal Tropical Institute, Mauritskade 64, 1092 AD Amsterdam, The Netherlands. CAP Training will be 21 September, 09:00-17:00 CEST, at De Duif, Prinsengracht 756, 1017 LH Amsterdam. Space is limited, so please click here to register as soon as plans are firm. Online Webinars for those who cannot participate in person will be arranged and call-in instructions will be sent to all registered participants. Documents pertaining to the Workshop are posted to the Workshop website.

Anyone interested in emergency alerting is welcome. There is no charge to participate.

Co-sponsors of this Workshop are: the International Association of Emergency Managers (IAEM), the International Federation of Red Cross and Red Crescent Societies (IFRC), the International Telecommunication Union (ITU), the OASIS standards organization, and the World Meteorological Organization (WMO).

Participants Must Inform the Program Committee
If you intend to participate in the Workshop and/or the Training, whether in person or online, click here to register. A final List of Participants will be posted at the Workshop website.

Press and Other Media Coverage
Members of the Press are expected to so identify and to indicate their affiliations. Materials posted on the Workshop website are freely accessible and things said or presented during the Workshop can be used as background, but the Press is to obtain permission from the source before publishing attributed quotes. Broadcasters are encouraged to view this 40-minute video introduction on CAP from a broadcaster perspective.

Technical Meeting in English without Interpretation, Credentials Not Required
The CAP Workshop events are technical meetings conducted in English without interpretation. They are meetings among experts who participate by virtue of their expertise and interest, rather than as official delegates. Accordingly, credentials are not required, although to facilitate discussions participants are asked to identify their organizational affiliations.

Presentations and Topics of Discussion
An information flyer provides an overview of the events, including presentations and discussion topics. If you wish to make a presentation, contact the Workshop Chair, Eliot.J.Christian@gmail.com by e-mail. The Program Committee of the CAP Implementation Workshop also includes the five co-sponsors: IAEM (Beth Armstrong), IFRC (Jessica Ports Robbins), OASIS (Elysa Jones), ITU (Vanessa Gray), and WMO (Cyrille Honoré), plus the co-host, Everbridge (Rachele Gianfranchi). Materials for the Workshop are posted on the website.

CAP Training
CAP Training will be held on 21 September, 09:00-17:00 CEST. The CAP Training is open to all those, and only those, who register for the CAP Workshop (click here to register). Participants not yet familiar with CAP are encouraged to complete the online CAP Basics course.

If you would like to arrange a group training session on CAP, please contact Eliot.J.Christian@gmail.com Such training sessions are typically conducted as a one-hour video conference over Zoom.
