Report of the 2023 CAP Implementation Workshop and Training

Background

The 2023 CAP Implementation Workshop and Training was held 10-12 October in Geneva, Switzerland, hosted by the United States Agency for International Development (USAID) and Alert-Hub.Org CIC. A Zoom Webinar was offered for those who could not participate in person. The events were co-sponsored by: International Association of Emergency Managers (IAEM), International Telecommunication Union (ITU), OASIS standards organization, and World Meteorological Organization (WMO).

The Workshop was a technical meeting intended solely for information sharing among experts. Accordingly, Workshop participants represented themselves; they did not formally represent any organizations with which they were affiliated.

The Workshop and Training events had ___ persons registered as participants. They were from ___ countries/territories, ___ international organizations, and ___ commercial companies, academic institutions, or other non-governmental organizations. Roughly ___ joined via the Zoom Webinar and ___ participated in person. The photo below shows in-person participants on 11 October.

The following other documents may be also of interest:

- The Programme lists all of the Workshop agenda topics and links to the presentations;
- The list of Speakers includes speaker biographies, portraits and links to the presentations;
- The list of Participants gives name and organizational affiliation of each participant.

Offers to Host the Next CAP Implementation Workshop

Workshop participants were invited to put forward offers for the location of a future CAP Implementation Workshop. The likely time frame for a 2024 Workshop is September - October. It will be in Brussels and the host will be Traveler Information Services Association (TISA). The likely time frame for a 2025 Workshop is September - October. The 2025 Workshop is also likely to be September - October. It will be in Italy and the host will be Italy Civil Protection.

Report Process

At the Workshop, participants agree on the process for producing this Workshop Report. The Workshop Chair, Eliot Christian, produces a draft Report in consultation with co-sponsors. The draft is shared among Workshop participants for a period of one week, with the Chair making revisions based on any comments received. Thereafter, the Chair publishes the final Workshop Report and links to it from the 2023 CAP Implementation Workshop website.

Presentation Summaries by Agenda Item

3.1 topic TBD
The presentation for this topic was given by speaker TBD (for a biography, see list of Speakers).
