Report of the 2023 CAP Implementation Workshop and Training

Background

The 2023 CAP Implementation Workshop and Training was held 10-12 October in Geneva, Switzerland, hosted by the United States Agency for International Development (USAID) and Alert-Hub.Org CIC. A Zoom Webinar was offered for those who could not participate in person. The events were co-sponsored by: the International Association of Emergency Managers (IAEM) and the OASIS standards organization.

The Workshop was a technical meeting intended solely for information sharing among experts. Accordingly, Workshop participants represented themselves; they did not formally represent any organizations with which they were affiliated.

The Workshop and Training events had more than 1,000 persons registered as participants. They were from 161 countries/territories, 44 international organizations, and 116 commercial companies, academic institutions, or other non-governmental organizations. About __ participated in person at the Movenpick Hotel in Geneva, and the photo below shows in-person participants on 11 October.

The following other documents may be also of interest:

- The Programme lists all of the Workshop agenda topics and links to the presentations;
- The list of Speakers includes speaker biographies, portraits and links to the presentations;
- The list of Participants gives name and organizational affiliation of each participant.

Offers to Host the Next CAP Implementation Workshop

Workshop participants were invited to put forward offers for the location of a future CAP Implementation Workshop. The likely time frame for a 2024 Workshop is September - October. It is likely to be in Brussels and hosted by Traveler Information Services Association (TISA). The likely time frame for a 2025 Workshop is September - October. The 2025 Workshop is also likely to be September - October. It is likely to be in Italy and hosted by Italy Civil Protection.

Report Process

At the Workshop, participants agreed on the process for producing this Workshop Report. The Workshop Chair, Eliot Christian, produces a draft Report in consultation with co-sponsors. The draft is shared among Workshop participants for one week, with the Chair making revisions based on any participant comments received. Thereafter, the Chair publishes the final Workshop Report and links to it from the 2023 CAP Implementation Workshop website.

Presentation Summaries by Agenda Item

3.1 topic TBD

The presentation for this topic was given by speaker TBD (for a biography, see list of Speakers).
