Report of the 2024 CAP Implementation Workshop and Training

Background

Traveller Information Services Association (TISA), U.S. Agency for International Development (USAID), U.S. National Oceanic and Atmospheric Administration (NOAA), and Alert-Hub.Org CIC hosted the 2024 Common Alerting Protocol (CAP) Implementation Workshop. Co-sponsors were the International Association of Emergency Managers (IAEM) and the OASIS standards organization.

The 2024 CAP Implementation Workshop and Training were held 22-24 October in Leuven, Belgium. A Zoom Webinar was offered for those who could not participate in person.

The Workshop was a technical meeting intended solely for information sharing among experts. Accordingly, Workshop participants represented themselves; they did not formally represent any organizations with which they were affiliated.

The Workshop and Training events had more than ___ persons registered as participants. They were from ___ countries/territories, ___ international organizations, and ___ commercial companies, academic institutions, or other non-governmental organizations. About ___ people participated in person at the Irish College in Leuven, Belgium; the photo below shows in-person participants on 23 October.

The following other documents might be also of interest:

- The Programme lists all of the Workshop agenda topics and links to the presentations;
- The list of Speakers includes speaker biographies, portraits and links to the presentations;
- The list of Participants gives name and organizational affiliation of registered participants.
Offers to Host the Next CAP Implementation Workshop

Workshop participants were invited to put forward offers for the location of a future CAP Implementation Workshop. The likely time frame for a 2025 Workshop is September - October. It is likely to be in Rome, Italy, and hosted by the Italian Civil Protection agency.

Report Process

At the Workshop, participants agreed on the process for producing this Workshop Report. The Workshop Chair, Eliot Christian, produces a draft Report in consultation with co-sponsors. The draft is shared among Workshop participants for one week, with the Chair making revisions based on any participant comments received. Thereafter, the Chair publishes the final Workshop Report and links to it from the 2024 CAP Implementation Workshop website.
