

Report of the 2026 CAP Implementation Workshop and Training

Background

The [U.K. Environment Agency](#), the [OASIS Open](#) standards organization, and [Alert-Hub.Org CIC](#) hosted the 2026 Common Alerting Protocol (CAP) Implementation Workshop. The [International Association of Emergency Managers \(IAEM\)](#) was a sponsor.

The Workshop was held 7-8 October at [The Priory Rooms](#) in Birmingham, England. The Workshop followed a day of [CAP Training](#) on 6 October at the same venue. A Zoom Webinar was offered for those who could not participate in person.

The Workshop was a technical meeting intended solely for information sharing among experts. Accordingly, Workshop participants represented themselves; they did not formally represent any organizations with which they were affiliated.

The Workshop and Training events had about ___ persons registered as participants. They were from ___ countries/territories, and many international organizations, commercial companies, academic institutions, or other non-governmental organizations. About ___ people participated in person, and the photo below shows in-person participants on 7 October.

Offers to Host the Next CAP Implementation Workshop

Workshop participants were invited to put forward offers for the location of a future CAP Implementation Workshop. The likely time frame for a 2027 Workshop is September-October and it is likely to be in Negeri Sembilan, Malaysia, hosted by the Enforcement, Leadership and Management University (ELMU).

Report Process

At the Workshop, participants agreed on the process for producing this Workshop Report. The Workshop Chair, Eliot Christian, produced a draft Report. The draft was shared among Workshop participants for one week, with the Chair making revisions based on any participant comments received. Thereafter, the Chair published the final Workshop Report and linked to it from the 2026 CAP Implementation Workshop [website](#).
